WELL AWARE

DID YOU KNOW?

"Avoid Summer Bummers"

You are contagious immediately after you've been exposed to **POISON IVY**, so do not scratch and then touch someone else or share a towel or clothing. After rinsing well, you cannot spread it.

The best cure for **HEAT RASH** is a cool shower and antihistamines come in a close second.

If you have **FOOD POISONING**, avoid solid foods and drink clear juices, broths, water and more sports drinks until you feel better.

If you get a **BUG BITE**, soothe it with an oatmeal bath or mix up a paste of 3 tsp baking soda and 1 tsp water. You'll be itch-free in no time!
